

CHURCHES AGAINST TRAFFICKING

An Exploit No More Partnership

Join the Network

Churches Against Trafficking is a growing network of churches committed to partnering with Exploit No More to respond to the evil of human trafficking as one united body of Christ. We seek to have genuine relationships and communication to join together to be the hands and feet of Jesus and offer hope to His children affected by slavery.

EXPLOIT NO MORE WILL SERVE BY PROVIDING:

- Human Trafficking 101 presentations in person or virtually
- Volunteer opportunities for members
- Updates in person or in writing to keep churches informed of progress
- Connections to other congregations in the network

CHURCHES WILL SERVE BY PROVIDING:

- Financial support by including Exploit No More in the annual outreach budget or by designating ENM as a special offering recipient
- Opportunities for ENM to connect with the congregation
- Trauma informed responses to anyone in the church seeking help about trafficking concerns as taught by ENM staff

“For just as the body is one and has many members, and all the members of the body, though many, are one body, so it is with Christ.”

~1 Corinthians 12:12
