

Easter Giving

A Campaign Supporting Renewed Life & Hope

The Easter season reminds us about new life and hope! We want to invite you to help bring new life and hope to victims of trafficking and those at risk.

Why Are We Doing an Easter Giving Campaign?

A lot of people have been asking about our 5k Run for Home and golf outing. We've decided to not continue those events due to our capacity limitations. Even with amazing volunteers helping us to prepare and plan, events consume a lot of staff time and energy. It takes hundreds of hours, and there's only two full time staff members at Exploit No More. The time that we're saving from planning events allows for us to allocate more time and energy towards growing our impact with the MKE Resource Hub, preparations for utilizing the Freedom House, and launching The Elevated Chef.

Through the Resource Hub, over 3,000 personal care items have been given out in the first 3 months of 2019, which equates to helping over 100 individuals who were either trafficked or at a high risk of being trafficked and that's just in Milwaukee! Our plan is to help start other resource hubs throughout Wisconsin including Madison, Racine/Kenosha area, Green Bay, Fox Valley, Eau Claire, and LaCrosse.

The Freedom House has the opportunity to be a valuable resource in the community but that takes a tremendous amount of planning with other organizations, along with local and state government.

So, What's This Campaign All About?

It's about jobs! For youth who have been trafficked and those at high risk, jobs are the main resource that they're asking for. Working is important in the healing journey of a victim and can reduce vulnerabilities for those at high risk.

The Elevated Chef food truck is going to provide jobs specifically for this population. With youth being in a position to have the flexibility of learning marketing, accounting, supply chain management, food prep, and seeing what entrepreneurship looks like, they will have exposure to what is possible for them while discovering their strengths and making money. Organizations and schools are calling and emailing about the program to see if some of their youth can work with us. Companies, churches, and groups already want to book us for events. This is such an exciting time!

So, this Easter season, you're invited to be a part of bringing hope and renewed life in our community. Maybe your company, church, small group, or family wants to sponsor something specific. Below, there's a list of items that you can donate towards. **Our goal is to have these items fully covered by Sunday, June 9, 2019.** We will update the status of funding for each item, every week.

Together, we are going to help more people.

Please Note: Exploit No More is a 501(c)(3) charitable organization. Exploit No More has not provided any goods or services in consideration, in whole or in part, for the foregoing gift[s]. We cannot provide tax advice and recommend that you consult with a tax professional regarding your donation.
